

# Alexander

COMMERCIAL | RESIDENTIAL

*Alexander is ideal for historical conservation projects as well as period appropriate design.*

This door design is perfect for historical renovation and conservation projects which often require specific period design elements be incorporated into modern materials. The cross bucking is also great for residential applications looking for a more rustic feel when compared to modern carriage house or barn style overhead doors. This model can be supplied with a wind load rating if required. Largest width available measures 30'-2".

- Maximum Width of 30'-2"
- Windload Available
- 20-Year Welded Frame Warranty\*
- Lifetime Residential Warranty\*

\*Except the top section when trolley operated.

\*\*On doors over 24' wide.
