TITAN™ MODEL WITH AWNING WINDOWS
PHOTO AND INSTALLATION BY REGGIO GARAGE DOOR COMPANY, NY

Push-Out Awning Windows provide the option to let fresh air in without having to open the overhead door.

ArmRLite is proud to offer the industry's only Push-Out Awning Window. These windows are easy to open and close. They are available for both operational doors and fixed units. Our Push-Out Awning Windows do not compromise the structure of our welded doors which ensures that each of our doors are built to last and exceed the expectations of our customers. These Push-Out Awning Windows are exclusive to ArmRLite and can be finished to match the door frame or custom color.

- Custom Colors to Match Door Frame
- Easy To Close and Open
