

# Faux Wood Finishes

COMMERCIAL | RESIDENTIAL

***Faux Wood Finishes** are available on custom sectional aluminum doors and provide the same look as wood.*

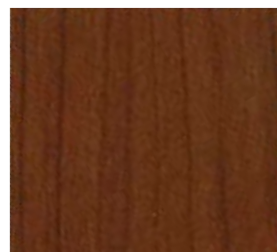

This finish is maintenance free and provides the same look as wood without the consistent cleaning. In addition, ArmRLite's Faux Wood Finishes will not fade in sunlight and warranted to be free from defects for 10 years except on installations within 1 mile of saltwater.

- High Durability
- Resistant to Heat and Acid
- 10-Year Finish Warranty\*

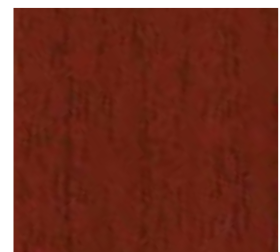

\*Except on installations within 1 mile of saltwater.

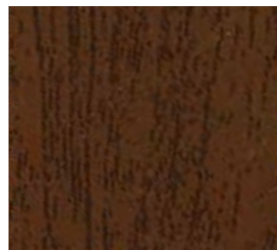

**DOUGLAS**

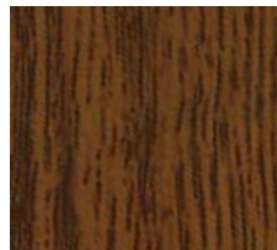

**CHERRY FLAME**

**ACACIA**

**DARK WALNUT**

**OAK ASSI**

*Actual applied faux wood finishes are subject to variations from approved samples. This is not a defect with the finish.*
